

- Availability for service earlier than other applicants (first come, first served); and
- Date the individual's application was received.

Any individual who enters this program and satisfactorily completes his or her obligated period of service may apply to extend the contract on a year-by-year basis, as determined by the IHS, at the maximum amount of up to \$30,000 per year and additional 31 percent for Federal Withholding. If funds are available, the maximum amount will be funded in this manner and will not exceed the total of the individual's outstanding eligible health professions educational loans.

Any individual who owes an obligation for health professional service to the Federal Government or to a State or other entity under an agreement with such State or other entity is not eligible for the Loan Repayment Program unless such an obligation will be completely satisfied prior to the beginning of service under this program in the year that an application is made for this program.

This program is not subject to review under Executive Order 12372.
